# 2014 UNT Raza Graduation

## FAQS

### What is a “Raza Graduation”?

A “Raza Graduation” is a graduation celebration that features traditions of Latino culture. The ceremony includes various Latino cultural elements and graduates are given the opportunity to publicly thank individuals who have helped them throughout their educational career. A Raza Graduation is a chance for friends and family to join Latino students in celebrating their success at navigating the challenges of college in the spirit of Latino culture.

The Raza Graduation Celebration was originally created by Latino students, staff, and faculty at University of California – Los Angeles (UCLA) in 1973. It was a proactive strategy to restore pride, heritage, and sense of purpose to Latino students. Today, the “Raza Graduation” has spread to many campuses. For the third year in a row, we are bringing the tradition to UNT.
