Remembering the life of Dr. Bertina Hildreth Combes

November 20, 1958 - February 19, 2021

Today, we honor the memory of Dr. Combes, UNT Vice Provost for Faculty Success. She was a strong supporter of LMAS and a beloved member of La Colectiva, the UNT women faculty of color mentoring group. The old saying is indeed true: “only the good die young.” Dr. Combes will be deeply missed by members of the LMAS family, with her absence felt across the entire UNT campus.

To honor her, the Dr. Bertina H. Combes Scholarship has been created through the University Advancement.
